RE: Advice No. 10-04, Portland General Electric General Rate Revision

PGE hereby submits for filing revised tariff sheets implementing a general rate revision. A list of the revised Tariff sheets is attached.

Enclosed are 30 copies including 10 courtesy copies of Direct Testimony, Exhibits and a Pretrial Brief that conforms to the requirements in OAR 860-013-0075 for a general rate revision. Also enclosed is an original and one copy of a Motion for Protective Order. Three copies of the non-confidential portion of work papers are provided on the enclosed CDs showing the source and calculation of rates. Confidential work papers will be provided after the Protective Order has been issued. By April 1st, we will file the remaining power cost updates.

The tariff changes are filed with an effective date of March 18, 2010, subject to suspension for investigation. We request that a prehearing conference be held expeditiously to establish a schedule that will allow a Commission Order by mid-December and revised prices effective January 1, 2011.

To ensure a timely response, please direct your communications related to this filing to the following email address: pge.opuc.filings@pge.com
